

Postville, IA, Community

Beginning with the season of Lent, we are highlighting a different congregation each week and ask that you remember them as the John Knox Presbytery Prayer Church of the Week.

This week we commend for your prayers, Community Presbyterian Church of Postville, IA and their Pastor Gary Catterson. We mention Community PC this week because this Sunday, Easter, April 21st is Gary's last Sunday in the pulpit as he is retiring from active service. Community PC is in Region 2 of JKP. Gary's has served as Pastor in Postville for over 20 years. Community PC is a congregation of approximately 200 members. They have long been a pillar in the town assisting with youth activities, community needs, ministry to immigrant workers, and reaching out locally and world wide in times of disaster. In fact, Pastor Gary has served as a deployed volunteer for Presbyterian Disaster Assistance in several areas around the country. Community is now on the cusp of a transition and covets your prayers as they search for their next leader. And please remember Gary with thanksgiving as he begins the next phase of his life. God's blessings upon them all in this Holy Week and Easter season

Postville, IA, Community
