

Baraboo, First

Each week we highlight a particular congregation from John Knox Presbytery to introduce it and their Pastoral leader to you and ask that you remember them in your prayers for the next week. This helps to bring us together and build community among our fellow Presbyterians in this part of the world.

Baraboo, First

This week we lift up First Presbyterian Church of Baraboo, WI. First PC Baraboo is a congregation of approximately 165 members nestled in southern portion of Region 5 in JKP! Founded in 1851, First Pres is nearing it's 170th anniversary as a congregation. The congregation serves it's community by providing space for various groups in the area, serving recently as a shelter for those displaced from their homes or homeless families seeking safety from bitterly cold temperatures. FPC has a midweek program for youngsters and just last month kicked off a program to provide meals for students who were missing meals because of the annual Spring break from school. FPC is led by the Rev. Lisa Taylor Newberry who has served as Pastor since 2010. Lisa has conducted her own brand of evangelism by marrying Jeremiah Newberry and giving birth to their son Gus Newberry all within the last few years. Please remember Lisa and the FPC family in your prayers this week.

Pastor Lisa Taylor Newberry
