

JOHN KNOX PRESBYTERY
CAREER COUNSELING POLICY

When a member of John Knox Presbytery is asked to participate in an assessment through the North Central Career Development Center or the Midwest Career Development Center and when John Knox Presbytery, through its Committee on Ministry (COM), pays for such assessment, the member beforehand agrees to release to the chair of the COM and to the executive presbyter, the evaluation provided by the career center so that the COM and/or the Executive Presbyter can continue to offer enlightened and informed support and guidance to the member.
