

FULL-TIME PASTOR - FOREST LARGER PARISH PRESBYTERIAN CHURCH

Are you looking to break away from the stress of urban life? Are you ready for small town ministry on an intimate level? Consider living in the north woods of Wisconsin where there is an abundance of thick forests, clear lakes and rushing streams. Forest Larger Parish Presbyterian Church is located in the heart of the Chequamegon-Nicolet National Forest and is looking for a full time pastor either from the Presbyterian denomination or one of the denominations that covenants with PCUSA. We are a small to medium sized active church with a strong mission program and a definite presence in our communities. Please contact the Pastor Nominating Committee through Moderator Suzanne Bell (715-850-2488 text enabled) for more details on this amazing church and the opportunity it presents.
