Pastor Mike Hibbs

Each week we invite you to pray for one of our congregations. JKP is spread out over three states which means many of our members probably have not seen these places in person. By providing pictures and narrative information we can know one another better and celebrate our unity by holding one another up in prayer. Please incorporate these churches and leaders in your weekly prayers.

This week we lift up for your consideration First Presbyterian Church of Galesville, WI, and their Pastor the Rev. Mike Hibbs. Galesville is a small friendly town about 25 miles north of LaCrosse in JKP Region 1. The Church of just under 300 members worships in a beautiful, traditional sanctuary that features an abundance of stained glass both old and new. Before the pandemic, the congregation remained connected to the community by allowing groups to use their facility for the benefit of the town. The local Food Pantry served people from town as well as the surrounding area. The church was normally teaming with youngsters from Boy and Girl Scout troops on a regular basis creating a joyful noise in the surprisingly spacious halls of the church. Everyone is hoping these activities can resume soon. The Rev. Mike Hibbs, an experienced Pastor, has served FPC for 18 years. The second-long term Pastor of this congregation. Mike has been a good Presbyterian serving on the JKP CoM as well as chairing three different Synod Committees. Please keep all these good people in your prayers this week.
