Rev. Ramona Orton

Each week we invite you to pray for one of our congregations. JKP is spread out over three states which means many of our members probably have not seen these places in person. By providing pictures and narrative information we can know one another better and celebrate our unity by holding one another up in prayer. Please incorporate these churches and leaders in your weekly prayers.

This week we lift up for your consideration First Presbyterian Church of Highland, WI and their Pastor the Rev. Ramona Orton. FPC is a congregation of 46 members which is part of a parish with two small Lutheran congregations. Highland is well named as the Church sits atop a hill in a town that sits high above surrounding rolling hills. FPC is a congregation that supports their local food pantry for folk in the community. Ramona started her work at FPC as a student pastor and has been present with them ever since. Like many small congregations they project a feeling of family and often spend a large segment of their worship offering prayers for one another and their community. Please remember these good folks in your prayers.
