Rev. Ramona Orton

Each week we invite you to pray for one of our congregations. Currently the COVID-19 pandemic has restricted travel to take pictures. There are three congregations who have yet to be listed, we will lift them up as soon as possible. So, we are lifting up again congregations that are previous Prayer Churches of the Week as we can all use a little extra prayer in these trying times.

This week we lift up for your consideration First Presbyterian Church of Highland, WI and their Pastor the Rev. Ramona Orton. FPC is a congregation of 46 members which is part of a parish with two small Lutheran congregations. And is a former parish member with United Church of Muscoda. Highland is well named as the Church sits a top a hill in a town that sits high above surrounding rolling hills. FPC is a congregation that supports that local food pantry for folk in the community. Ramona started her work at FPC as a student pastor and has been present with them ever since. Like many small congregations they project a feeling of family and often spend a large segment of their worship offering prayers for one another and their community. Please remember these good folks in your prayers.
