Rev. Mark Hoehne

Each week we invite you to pray for one of our congregations. JKP is spread out over three states which means many of our members probably have not seen these places in person. By providing pictures and narrative information we can know one another better and celebrate our unity by holding one another up in prayer. Please incorporate these churches and leaders in your weekly prayers.

This week we lift up for your consideration First Presbyterian Church of Lancaster, WI and their Pastor, the Rev. Mark Hoehne. Lancaster is a picturesque town in region 3 of John Knox Presbytery, where Mark also serves as the Regional Coordinator. Mark started at FPC as a student Pastor and has continued into permanent service. Mark serves the Church on a full-time basis and works as a beef farmer as well. The congregation has faced some growing pains in recent years and prior to the pandemic had gone to two services on Sunday mornings. Like all our congregations, FPC is looking forward to once again fully participating in Mission activities and trips that they have enjoyed over the years. The good folk of FPC Lancaster are still looking forward to hosting a Presbytery meeting as soon as COVID protocols allow. They have been scheduled to host our gatherings only to be delayed twice. We all look forward to enjoying their hospitality soon and hearing all about the good things happening in Lancaster, WI. Please remember these good folks in your prayers.
