Lodi, WI; First

Lodi, WI; First

Each week we invite you to pray for one of our congregations. JKP is spread out over three states which means many of our members probably have not seen these places in person. By providing pictures and narrative information we can know one another better and celebrate our unity by holding one another up in prayer. Please incorporate these churches and leaders in your weekly prayers.

This week we lift up for your consideration First Presbyterian Church of Lodi, WI. FPC is a congregation of approximately 120 members that has served the Lodi community for 170 years as they were founded in 1852. The Church stays closely connected to one another especially in times of illness or need and they have participated in mission efforts in town such as "Reach Out Lodi" a local community center. They have also supported Missions around the world in places such as the Yucatan Peninsula and Tanzania. Prior to the pandemic the congregation completed a major renovation to their sanctuary. Their large Pipe organ became irreparable and so the worship space was changed with its removal. The new sanctuary is a beautiful space that allows a variety of musical expressions and worship. Honorably Retired Teaching Elder Linda Nepstad has stepped in to serve FPC as their Bridge Pastor. Please remember all these good folk in your prayers.
