Pastor John Kerr

Each week we invite you to pray for one of our congregations. JKP is spread out over three states which means many of our members probably have not seen these places in person. By providing pictures and narrative information we can know one another better and celebrate our unity by holding one another up in prayer. Please incorporate these churches and leaders in your weekly prayers.

This week we lift up for your consideration First Presbyterian Church of Maynard, IA and their Pastor John Kerr. Maynard, IA is a quiet little community in the far SW corner of John Knox Presbytery in Region 2. Despite being a small congregation and community FPC has a tradition of providing leadership to the larger church with several members who have been actively involved on Presbytery and Synod committees. FPC is a family sized congregation who cares for their members and has served their community for more than 140 years. Pastor John is an Honorably Retired member of John Knox Presbytery who has been ordained for 60 years. John continues to offer his leadership and wisdom to the congregation and his wife Beth is a large contributor as well by serving as the Church Pianist for worship. Please remember these good people in your prayers this week.
