Packwaukee, First

Packwaukee, First

---

Each week we invite you to pray for one of our congregations. JKP is spread out over three states which means many of our members probably have not seen these places in person. By providing pictures and narrative information we can know one another better and celebrate our unity by holding one another up in prayer. Please incorporate these churches and leaders in your weekly prayers.

This week we lift up two congregations which are yoked together. Both are First Presbyterian Church. They are situated in the towns of Oxford and Packwaukee, WI. These two communities are approximately 20 miles north of Portage in Region 5 of the John Knox Presbytery. Oxford is a congregation of 53 members and Packwaukee boasts 25 members. Both churches are enjoying a resurgence of families with young children and much remodeling is being done to provide needed Sunday School space. As well as more Sunday School space the Oxford congregation also added a chair lift to enhance their accessibility. Both congregations are being served by CRE Brenda Pulver, who grew up as a child in the Packwaukee church. Brenda has served as the CRE in these churches since 2012, much to the delight of their Sessions and members. We have also recently lifted Brenda up in prayers after the passing of her father Lyle Barton in late October. Please keep all these good people in your prayers.
