

Portage, WI; Portage

Portage, WI; Portage

Rev. Dave Hankins

Each week we invite you to pray for one of our congregations. JKP is spread out over three states which means many of our members probably have not seen these places in person. By providing pictures and narrative information we can know one another better and celebrate our unity by holding one another up in prayer. Please incorporate these churches and leaders in your weekly prayers.

This week we lift up for your consideration Portage Presbyterian Church of Portage, WI and their Pastor, the Rev. David Hankins. Portage PC is a congregation of just over 200 members which sits in a very pretty town on the banks of the Wisconsin River. Portage is part of Region 5 in JKP where David also serves as the Regional Coordinator. The congregation has long been actively involved in reaching out to their community with programs such as a Summer meals program for students who miss the meal assistance during the school year. They also host a Christmas Day community dinner for anyone looking for food or fellowship. Hopefully these activities will return to their pre pandemic levels in the near future. Pastor Dave (as he is known to his flock) has served Portage PC for over 26 years and has led them through times of joy and sorrow. The most recent change to the physical church was the addition of an electronic sign that flashes messages and announcements to those passing by. Please remember these good folks in your prayers.
