Pastor Kirk Morlege &
Assoc. Pastor Ben Eherts

Each week we invite you to pray for one of our congregations. JKP is spread out over three states which means many of our members probably have not seen these places in person. By providing pictures and narrative information we can know one another better and celebrate our unity by holding one another up in prayer. Please incorporate these churches and leaders in your weekly prayers.

This week we lift up for your consideration First Presbyterian Church of Waunakee, WI, their Pastor the Rev. Kirk Morlege and Associate Pastor Ben Eherts. FPC is a congregation of 741 members as of 2020 which has a beautiful facility on the outskirts of Waunakee in the heart of JKP Region 4. Pastor Kirk has served the congregation for over 21 years. Kirk also served as a Reserve Chaplain in the United States Navy for many years. One of the things that FPC has become known for in the community is their annual Memorial Day service which Kirk would lead in full uniform. A tradition set aside by covid restrictions and hopefully resuming very soon. The congregation is also very involved in mission to their community and around the world through various programs such as food pantries, Pres house, and international missionaries. They have a substantial ministry to children and families as well. Like all our congregations they hope that loosening restrictions will allow many of the ministries to return. Please remember these good folk in your prayers this week.
