

Winona, MN; Grace

Winona, MN; Grace

Rev. Rachel Rosendahl

Each week we invite you to pray for one of our congregations. JKP is spread out over three states which means many of our members probably have not seen these places in person. By providing pictures and narrative information we can know one another better and celebrate our unity by holding one another up in prayer. Please incorporate these churches and leaders in your weekly prayers.

This week we lift up for your consideration Grace Presbyterian Church of Winona, MN and their Pastor the Rev. Rachel Rosendahl. This is Rachel's first call and she has been serving Grace PC for 4 years. Winona is a beautiful town on the banks of the Mississippi River, one of JKP's 5 congregations in Southwestern Minnesota in what we like to call Region 1. Coincidentally, Rachel serves as the Regional Coordinator of JKP Region 1. Grace is a congregation of 89 members that brings a reformed tradition to its community. As well as being involved in standard community mission projects, such as Food Pantry support and ecumenical services, they were instrumental in working through interfaith relations to help the Muslim community of Winona to secure property to serve as a cemetery for their members. Religious practices for burial and intolerance for Muslims had made finding an appropriate space very difficult. Please keep all these good folks in your prayers.
